

# ACCESS TRAILERS™

The GP range is designed to offer customers a demountable passenger carrying top mounted on a versatile general purpose trailer. Available in 3 body sizes they carry from 10 to 18 people.

With the top removed the base unit can be used to transport a variety of goods. The trailer has side rope hooks and fitting points for extra fit options including: ladder rack, mesh sides, extended tailgate and livestock (sheep/pig) top with ramp.

Alloy floor fitted as standard.

## PASSENGER TOP

- Galvanised steel superstructure, fixed alloy sheet roof and green exterior alloy sides.
- Roll up see through vinyl curtains secured by metal twist lock fasteners when down.
- Rear passenger door.
- Low step entry.

- Easy to maintain rubber covered alloy slat seating - cushion seat option\*
- Under seat storage.
- Individual lap seat belt option\*
- Wireless trailer to tow vehicle alarm.

## BASE TRAILER SPECIFICATION

- GP models are built on a tandem axle 2,600kg base.
- Galvanised metal sides, rear drop down tailgate.
- Independent suspension, 165/13 wheels, overrun brakes.
- 50mm dampened lockable ball hitch.
- Telescopic heavy duty jockey wheel.
- Low centre of gravity with body inside trailer wheels.
- Full road lights.
- Rope hooks and posts for extra fit options\*
- European Type Approved.
